

How to be Human.PDF

1. Don't make too much eye contact, eventually it will get intimidating. You want to be accepted.
2. Smile and nod your way through casual conversations. Laughter is social lubricant.
3. KEEP BUZZING TO A MINIMUM. If questioned say you were humming your favorite electronic music.
4. Wear smaller, shorter pants under your denim pants.
5. Be lonely and fill that void by binge watching the latest Netflix hit.
6. Hate Mondays.
7. Be 5 feet 7 inches tall.
8. Some people don't like the taste of honey. Just pretend that's OK and move on.
9. Keep note of people who are allergic to bees.
10. Pretend to be superior to all other species.
